# EXPEDITED LICENSURE PROCESS FOR INTERNATIONAL NURSES

In the Spring of 2023, NSCN implemented two expedited registration and licensure processes, establishing a fast and predictable pathway to licensure in Nova Scotia for registered nurses who demonstrate good standing and good character and are licensed elsewhere in Canada, or the Philippines, India, Nigeria, USA, UK, Australia, or New Zealand. This report reflects data since November 1, 2024, the start of our 2024-2025 licensure year, and onwards, with the exception of the first page which includes cumulative totals since the implementation of the expedited process.
